Dear Parent/Guardian

Homework Timetable

To help students organise their time spent on homework, we have issued them with a homework timetable. This allocates subjects to specific days and is an indication of when a student should reserve time to do their homework for that subject **not** the day the teacher will set it.

Information about homework and copies of the timetable can be found on the school website.

I know you will want to support your child's learning experience by encouraging them to do homework on time and to a good standard.

Thank you for your help with this.

Yours sincerely

Mrs J Escott-New
Assistant Headteacher
