Miss Amy Huggins – Registered Veterinary Nurse

Miss Laura Rowley – Registered Veterinary Nurse

Royal Veterinary College – Founded in 1791, the Royal Veterinary College (RVC), University of London is one of the world's leading veterinary and biological science institutions, renowned for pioneering approaches to teaching, research and cutting edge clinical provision. Based in central London (Camden) and Hertfordshire (575-acre site), its two campuses offer a friendly and supportive environment with state-of-the-art facilities for its 2,500 students. The RVC is one of the most globally accredited veterinary school, as well as being the UK's largest and only independent specialist. The RVC offers a range of renowned undergraduate, postgraduate and research degrees. www.rvc.ac.uk

Miss Danielle Golds – BVetMed - Year 2

Miss Yashaswini Modak – BVetMed - Year 2

Apprenticeships – G4

ASK on behalf of National Apprenticeship Service – The Apprenticeship Support and Knowledge for Schools and Colleges programme (ASK) is funded by the National Apprenticeship Service, part of the Department for Education. The programme is designed to give schools, colleges and other educational establishments across England free support to develop and transform how your students think about apprenticeships.

Mrs Sumera Iftexhar – ASK Project worker

Art – H9/H10

University of Reading – Art Department – British painter Tina Jenkins received her BA in Fine Art (2005), followed by her MFA (2014), from the University of Reading.

Tina Jenkins, Lecturer – BA Art, Columbia Threadneedle Prize winner 2014.

Aviation – F9

Airways Aviation Academy – Airways Aviation is a global Aviation Pilot Training solutions provider. Academies are located in the UK, Australia, Spain, France and Montenegro and provide advanced flight and theory training that prepares students to fly for international commercial airlines.

Miss Christina Avramidou – Business Development Officer

Mr Chris Lomas – ATPL (A) Student Ambassador

Commercial Pilot – Arsalan Ali is a former student of Maiden Erlegh School, and is a commercial airline pilot, currently working for Easyjet.

Mr Arsalan Ali – First Officer, Airline Pilot & Maiden Erlegh School Alumni, 2013

Turner & Townsend and Heathrow Airport – T&T work at Heathrow Airport, supporting all the projects that help the airport grow with planning, cost management, project management and risk management services. T&T also support many other UK infrastructure projects like Crossrail, HS2 and Hinkley Point as well as hundreds of mega-projects all around the world.

Mr Patrick Aubrey – Project/Programme Risk Manager

Careers Information, Advice & Guidance – G4

Adviza – Adviza is a registered charity inspiring people to make better decisions that help them progress in learning and work.

Mrs Anna Finlason – Careers Adviser

Childcare – G7

The Forbury Group of Nurseries – The Forbury Group of Nurseries represent a small local chain of nurseries in Reading, caring for children from 3 months to 5 years old. Offering apprenticeships to school leavers looking to take on an exciting and rewarding career in childcare.

Mrs Claire Little – Recruitment Coordinator

Mrs Cheryl Ballard – Senior Manager

Chiltern Nursery & Training College (CNTC) – CNTC is a large day nursery and training college in Caversham, Reading. Offering Level 3 childcare traineeship and paying well above the normal apprenticeship rate. Trainees work in the nursery whilst training towards a Level 3 qualification. Trainees are guaranteed an interview for a qualified position at the end of their training

Miss Sam Johnson – Planning Engineer

The Environment Agency – L9 – The Environment Agency works to create better places for people and wildlife, and support sustainable development.

Mrs Rebecca Chadderton – Senior Team Leader, Flood Modelling and Forecasting

National Grid ESO – L9 – The National Grid is one of the world's largest investor-owned energy companies, committed to delivering electricity and gas safely, reliably and efficiently.

Mr Matthew Davies – Energy Forecaster

Thames Water – L8 – Thames Water is the UK's biggest water and wastewater services provider. We invested more than £1 billion again in 2018/19, leading to a total of £15 billion in the past 15 years, improving service for over 15 million customers across London, the Thames Valley and surrounding areas. For an average of just over £1 a day for our households, we provide 2.7 billion litres of clean drinking water and safely remove 4.4 billion litres of wastewater every day, 365 days a year. We are regulated by Ofwat, the Environment Agency and Drinking Water Inspectorate and, as part of our business plan for 2020-25, propose to invest record amounts on improving resilience, service and efficiency, as well as providing more support for customers in vulnerable circumstances.

Mr Stuart White – Head of Media Relations, Maiden Erlegh School Alumni, 1996

Mr Duncan Fry – Business Services Manager, Maiden Erlegh School Alumni, 1994

Miss Bonnie Nzumbong – Change Management

Maiden Erlegh Trust Careers Fair 2020

Institute of Civil Engineers – L4 – The Institute of Civil Engineers South East England supports and represents over 11,000 members living and working in the region. As a professional body it shares knowledge and actively promotes civil engineering by working with industry, schools, universities, local government and the media. ICE South East England region also provides resources and support for teachers, and people looking to promote civil engineering and inspire the next generation of civil engineers. ICE Members in the South East volunteer as engineering ambassadors. They visit schools to help young people understand what engineering is, how it shapes our world, and how they can pursue a career in civil engineering.

Mr Charles Spedding - Chartered Civil Engineer Retired

Xtrac – L10 - Established in 1984, Xtrac has become recognised as the worldwide leader in the design and manufacture of transmission systems supporting a wide client base covering top level Motorsport and high performance Automotive. Winning the world's premier motorsport events and operating in high technology and fast moving markets, demands a supplier who can deliver a competitive advantage. Since the founding of the company, Xtrac has ensured that customers from all sectors can meet, or even exceed, their objectives by drawing on our unique blend of design, engineering and manufacturing capabilities.

Mr Stephen Gomm - Apprentice Gear Cutter

Maiden Erlegh Trust Careers Fair 2020

Please try and complete the following questions below. The purpose of making contact with different representatives from Higher Education, University, College, Industry, Gap Years and Apprenticeships is to explore the many routes available that are open to you.

Talk to at least one representative from the following areas. For each potential route, make notes on the opportunities that each route would bring and the possible advantages and disadvantages:

Sixth Form / College	
Higher Education / University	
Apprenticeships	
Gap Year	
Potential Employment	

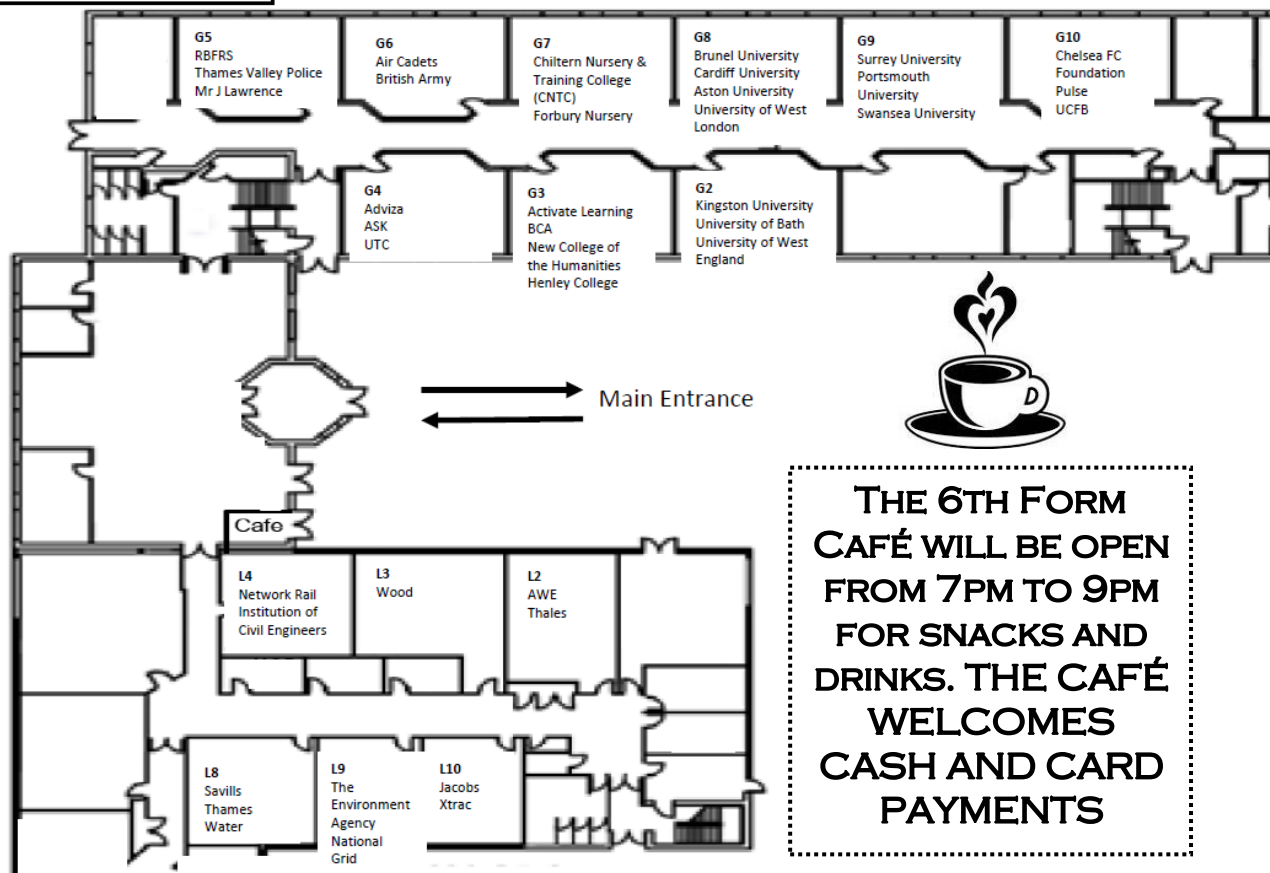

Choose a career that interests you, and use the starter questions below to find out more about it.

What academic qualifications will I need?	Do I need to go to university?	Could I train via an apprenticeship route?
What is the starting age?	If training is needed, how long will it take?	What salary could I expect to earn: (a) Initially? (b) ten years after starting?
What are the chances of promotion?	Is there much demand for people doing this job?	What are the different aspects of your job?
What do you enjoy the most and least about your job?	Does the job require travelling/living away from home?	What surprised you most about your company or role?
