Dear Parent/Guardian

### Annual School Survey

It is the time of year when we ask parents and students in every Maiden Erlegh Trust school to participate in our annual surveys.

We are very grateful for all of the parents and students who take the time to fill the questionnaires in every year. The feedback is overwhelmingly positive and constructive which is very encouraging - it is always good to know what our schools are doing well, and what you would like us to keep doing. We very much appreciate your constructive comments on what we can do to make things even better, however.

Your views are extremely important and make a real difference. They feed into school improvement planning which will start shortly in preparation for next year. Once the survey has been completed and analysed, Mr Johnson will feed back to you via the website. You can see the Maiden Erlegh Reading's feedback from last year [HERE](#).

Mr Johnson and I would very much appreciate it if you could spare some time to fill in the parent survey, and encourage your child to complete the student survey. They are not long and they are anonymous.
