Dear Parents/ Guardians

**Notification of positive Covid-19 test result**

I am writing to inform you that we have received notification of a positive Covid-19 result of a student who has attended school this term. On receiving the notification, we immediately contacted Public Health England to discuss the situation and to clarify the action we need to take. On the basis of the particular circumstances of this case, we have been advised that we do not need to ask any groups or members of staff to isolate.

Yours sincerely

**Mr A Johnson**
