

3 December 2020

Dear Parent/Guardian of Year 11 student

Summer Examinations 2021 - Announcement

You will be hearing on the news today a government announcement of their plans for the summer examinations next year. I am hoping that later today, we will receive more detailed guidance (beyond the headlines!). As and when I receive this, we will analyse what it means and I will try to communicate with you and your children more fully. I would hope to be able to do this either tomorrow or early next week.

Yours Sincerely

Mr A Johnson
Headteacher
