The chat box must be on-topic once the lesson starts

Wear appropriate dress

Ensure backgrounds of videos are neutral (blurred if possible)

## Wellbeing and support

- Contact me, or your child's tutor, via email through the school reception
- Communication for the year group will be via Google Classroom and ClassCharts.
- ClassCharts – wellbeing app.

## Expectations of students and how you can support

- Completing a school day
- Actively participating in live lessons and meeting deadlines
- Looking after themselves
  - Communicate with us – if support is needed

- If possible provide a quiet space where they can focus on work
- Help create a timetable for the day – I will show you a template on the next slide
- Check in with them throughout the day to see how they are getting on with the work
- Regularly check ClassCharts – this is a great tool to see if they are meeting deadlines and joining live lessons. Teachers will also use this to communicate with students and parents
- Read all communications from the school – this is how we keep you up to date, they are emailed and posted on the website.
- Looking after themselves
  - Encourage them to use the wellbeing part of the ClassCharts app to check in with us and reach out for support if they need it

## Frequently Asked Questions

## Your Worries and Queries

When will students be returning to school?

At present the government has said the National Lockdown will be until at least the end of this half term (February 15<sup>th</sup>). We do not have any further information than you do on whether this will be extended. Please keep an eye of the news for updates.

## Your Worries and Queries

When will students have live lessons for their subjects?

- We will be using the timetable that I highlighted earlier. Tutor time is synchronous (live) everyday at 8:45am with an assembly every Thursday morning.
- The lessons will be on a rota basis as shown in this image. S means a synchronous (live) lesson through Google Meet and A means an asynchronous (non-live) lesson where work is posted online for students to complete and submit.
- Timing wise students should be doing a “normal” school day

## Your Worries and Queries

Will the RS PPE go ahead?

Yes it will go ahead **HOWEVER**, we have postponed this for the moment and the date is to be confirmed once we know when students will definitely be returning.

## Your Worries and Queries

What is happening with the RS GCSE?

We are awaiting clarification with regards to the RS examination and if this will be Centre Assessed Grades (CAG) at present the government has just confirmed that Year 11 GCSEs will be CAG.

## Your Worries and Queries

What is happening with the iMedia exam?

Students are still being entered for the coursework and exam unit that was at the end of this year – HOWEVER, we are awaiting guidance still – nothing further has been released since the government announcement.

## Your Worries and Queries

Will PPEs in all of the other subjects still go ahead?

The have been postponed for the meantime. They will have a rescheduled date – once this is confirmed I will let you know

At this moment in time – focus on the current lesson work for all subjects rather than revision – keep up with the online learning!
