

# TRANSITION BULLETIN

Post 16

**Welcome to the first weekly bulletin for our virtual Post-16 Transition Programme. Over the next four weeks, there will be a weekly bulletin of information and tasks for you to complete. This will help you in being prepared for your step up to Post-16 education and ensure you are ready to start in September.**

## POST 16 PREPARATION TASKS

1. Contact your Post-16 destination to find out your next step before you receive your GCSE results.
2. Find the pre-course tasks for your chosen destination and plan when you need to complete these.
3. Ensure you understand your entry requirements for your course and ensure you have a back up option if needed.

## CHALLENGE

Find the quickest and cheapest route to your Post-16 destination only using public transport.
