Dear Parent/Guardian

School Photos

It has been lovely to have our first day back as a full school today. The students are looking very smart and having walked around school during lesson time over the last few days, I have seen that they have returned ready to work hard too.

I wanted to let you know that on Friday 10 September we will have the school photographs taking place for Years 7, 9, 10 & 11. Year 8 will be having their school photographs taken on Monday 20 September. Any student who may miss having their photograph taken on Friday 10 September will be able to have their photograph taken on Monday 20 September.

I know we are all hoping for a year that feels a little more normal, but that there are still many things that we do not know the answer to yet, like the arrangements for GCSE exams. Please be assured we will keep you updated with information as soon as we are informed. What I do know though is that the character, creativity and humanity of our children and young people will shine through and they will, as always, make the most of the year.

Yours sincerely

Mrs S Gibbs
Deputy Headteacher
