Dear Parent/Guardian

Quality Mark

I am delighted to share with you that the School has now received final confirmation that we have been re-awarded the Quality Mark. This recognises the progress, improvements and standard of provision in English and Mathematics in our school. Our award followed a rigorous external assessment involving external assessors looking at what we do and talking to staff and students. I am pleased to attach a letter from the awarding body which gives more detail on this process.

Once again, I am very proud of this achievement - it provides strong validation of the quality of education in the school and of our staff and student community.

Yours sincerely

Mr A Johnson
Headteacher
