Dear Parent/Guardian

### **Progress meetings**

Parents' evenings are an important event which allow subject teachers to update you on your child's attitudinal and academic progress and we strongly encourage all parents/guardians to take part in these events.

With our parents' evenings on the horizon, we felt it timely to gain some feedback on how we conducted these evenings last year, given the restrictions around social distancing. We are continually looking to improve our interaction and communication with parents/guardians and thus getting your feedback is important to us. Please could you take 5 minutes to tell us what you think by filling out this [feedback form](#).

Yours sincerely

**Mr D Hood**
