Dear Parent/Guardian,

Extra-Curricular Activities

We are pleased to be able to offer a wide range of enrichment activities. These clubs are designed to work alongside our curriculum and studies have shown that the benefits of extra-curricular activities are wide-ranging. Students develop a greater sense of responsibility, learn new skills, benefit from improved organisation & time management and even attain higher academic achievement.

The activities are run by our staff free of charge and we would be delighted to welcome your child to any of the clubs on offer to them.

Below is a list of activities currently available.
