Dear Parent/Guardian

Bus route diversions

From Thursday 11 November, a section of Wokingham Road is being resurfaced from Holmes Road to Melrose Avenue. The works will run from 9.30am-4.30pm. The bus routes affected will be the X4/4 and the 17. Both routes will only go as far as Cemetery Junction before diverting down the A4 London Road. Whilst this should not affect the journey to school, on the way home students using these routes will need to walk from Crescent Road to the bus stop at Cemetery Junction to catch the bus. The diversion will remain in place until Saturday 13 November.

Yours sincerely

Mrs C Swart
