

24 November 2021

Dear Parent/Guardian

GCSEs Summer 2022 – Contingency Plans

Following the letter sent by Mrs Elliss last week regarding contingency plans for next summer, we must put in place the ability for students to apply for special consideration for PPE1. In the event that next summer's exams are cancelled, we may need to use the PPE1 results to form evidence for a TAG.

Therefore, [please find here](#) the special consideration form that would need to be completed and returned to Mrs Gale, Examinations Officer, by 30 November 2021, in order for us to consider applying special consideration to the results of this last set of exams.

Yours sincerely

Mrs S Gibbs
Deputy Headteacher
