

26 January 2022

Dear Parent/Guardian

I am writing to you regarding revision sessions for GCSE Combined Science and separate Sciences (Biology, Chemistry and Physics). The science department will be offering revision sessions in the morning between **8:00 to 8:30am**.

Please find the session dates and titles below.

This unique opportunity will allow students to come in before the start of the school day to sit with a science teacher and other students and work their way through the key concepts of various topics and related required practical. We hope that you will encourage your child to attend.

To ensure health and safety requirements are followed, students wishing to attend the morning sessions must complete [this form](#). Only students who register to attend will be given access to the school site at 8 am. **If a student does not register by Monday 31 January 2022, they will not be given access to the school site early and will be asked to return at 8:30 for the normal start time of the school day.**

Drop in sessions are also offered on a weekly basis after school Tuesday to Friday until 4 pm. If your child wishes to attend the drop in after school sessions they should discuss this with

Date	Science	Session Content	Room/Teacher
Tue 01/02/2022	Biology	Nervous Control – including reaction times required practical	213 – JM
Wed 02/02/2022	Physics	Waves - including ripple tank required practical	213 – JM
Fri 04/02/2022	Chemistry	Organic chemistry	218 – FOW
Tue 08/02/2022	Biology	Hormonal Coordination	213 – JM
Wed 09/02/2022	Physics	Forces – weight, gravity, centre of mass, Hooke's Law including required practical	217 – CH
Fri 11/02/2022	Chemistry	Rates and Equilibrium	215 – DIR
Tue 15/02/2022	Biology	Genetics and Inheritance	217 – CH
Wed 16/02/2022	Physics	Electromagnets (up to uses of the motor effect)	217 – CH
Fri 18/02/2022	Chemistry	Chemical Analysis	218 – FOW

their class teacher so that they can direct them to the specific sessions being held each day.

We look forward to seeing your child in these additional sessions. Any queries, please contact the main reception.

Kind regards,

Mrs E Chattock
Teacher of Science
