

18 February 2022

Dear Parent/Guardian

Overnight, the weather authorities moved our area from orange to red alert.

Due to the very real risk to students of staff travelling to and from school, I have taken the decision, along with the Headteachers of many other local schools and all of the other schools in the Maiden Erlegh Trust to close the school building.

For today, learning will move online via Google Classroom.

Students should log on and follow the instructions in each Google Classroom for the lessons that they have today (including tutor time). Some of the lessons may be live/have live elements. Other lessons may not be live.

Once again, I apologise for any inconvenience this has caused. It is certainly the last thing we wanted to do (following our closure on Monday), but I have to put the safety of the school community first.

Yours Sincerely

Mr A Johnson
Headteacher
