

28 February 2022

Dear Parent/Carer

Every year we conduct a survey of all our parents and pupils/students, which we use in our school improvement process. Please see the “*You said, We did*” page on your school’s website to see examples of outcomes in the past.

It is so useful for us to understand what is going well and what we could do better. **Please try and answer from your experience since September in the broadest terms.**

The link to the parent survey is here: <https://www.surveymonkey.co.uk/r/XRPGMSJ>

We estimate it will take less than 10 minutes to fill in. Please note, these surveys do not take IP addresses so **you will need to do the survey in one session.**

**The parent survey link will be open until 11 March 2022**, but please take part as soon as you can.

In addition, we will be asking **pupils/students** for their views in a separate questionnaire.

Data protection:

- The survey is being hosted and analysed by a third party, Anwen Page, who is a professional researcher.
- Neither Anwen Page, nor the Trust, will have your name and email unless you provide it at the end of the survey in order to receive a personal response, and this will not be kept.

Please note that, in both surveys as well as rating scales, there are also some open questions. These will be read and analysed by Anwen Page and me, but only comments from parents or pupils/students requesting a personal response will be shared with the relevant headteacher.

If you have more than one child at the setting you can answer for all at once, you do not need to fill out the survey multiple times.

If you have any problems with taking part in the survey, please email: [anwen@apageresearch.co.uk](mailto:anwen@apageresearch.co.uk). If your child has a problem taking part in the survey, they should speak to their teacher.

Thank you in advance for your time and, as always, for all your support and commitment to the schools.

If you or your child would like a paper copy of the survey to complete, then this can be arranged. Please contact [anwen@apageresearch.co.uk](mailto:anwen@apageresearch.co.uk).

Yours faithfully

Mary Davies  
Chief Executive Officer
