

7 March 2022

Dear Parent/Guardian

### **Admission to Year 7 – September 2022**

We would like to take this opportunity to welcome you to Maiden Erlegh School in Reading and to thank you for choosing us. Once again, interest in our school has been strong and we are glad to be the school of choice in our local community, being oversubscribed on secondary offer day (1 March 2022). We are very much looking forward to welcoming you in person later this year and to working with you over the coming years, as your child progresses through their secondary education.

The team at the school are already working very hard on a transition programme to support your child as they move from primary to secondary. As a parent myself, I know that this can be an anxious time and we will do everything we can to support you and your child through this process. Over the coming months, you will be receiving a lot of information from us to make sure the transition is effective and smooth and we will be contact with your child's current primary school to ensure that we have the best possible information to enable us to support your child.

In the meantime, for news and information about what is going on at Maiden Erlegh School in Reading please follow us on twitter [@MESReading](https://twitter.com/MESReading), or follow Maiden Erlegh Trust on [@maidenerleghtrust](https://twitter.com/maidenerleghtrust) and keep an eye on our website here: <https://www.maidenerleghschoolreading.co.uk/>
