

6 April 2022

Dear Parent/Guardian

Year group closures

Having spent the morning looking at different ways we can staff the school tomorrow, I have reluctantly come to the conclusion that once again, we will be unable to fully staff the school for all year groups.

So, with a heavy heart we will be asking **Year 7 to work from home tomorrow (Thursday 7 April 2022)**, accessing their learning on Google Classroom.

Staff will ensure that there is appropriate work set.

Please note that currently our ambition is to have all year groups back in on Friday although this is subject to staffing levels and our risk assessment.

My sincere apologies once again. This is a situation which no one wants to be in.

Yours sincerely

Mr A Johnson
Headteacher
