

Dear Parents,

RE: Upcoming webinars for parents - *How to Help Your Child's Memory*

We're excited to announce that next week Elevate will be hosting its next Parent Webinar. Feedback to the series so far has been fantastic, so don't miss out the next instalment in the series.

Elevate works with our students, delivering high impact workshops on study skills, motivation, wellbeing, and exam preparation. By tuning into their webinar series you will learn how to better support your children at home through reinforcing the skills they learn at school.

Tuesday 3rd May (6-7pm) ***How to Help Your Child's Memory***

[Register for free here](#)

Here's what we will be showing you in this session:

- How you can set up your child's study space to maximise attention;
- The best techniques for improving memory;
- The 7 most common mistakes which actually reduce memory retention.

I've also taken more than one strategy or tip from each webinar, applied them and found them a win - plotting fun first and doing tasks (practice that song once on the guitar, study that section) rather than time (20mins of guitar or 1 hour studying) are two of my favourites!

The webinar is run **live online from 6 – 7pm** where the presenter will share Elevate's key research and skills, and will conduct a live Q&A so you can ask them questions directly.
