Dear Parent/Guardian

Year 11 conduct

I am writing to ask for your support as we enter the examination period.

Whilst the vast majority of the year group are being serious minded about their crucial examinations, there are a small number who have taken the imminent conclusion of their time at the school to make some immature choices and behave poorly. Specifically, a number of the year group have brought water pistols into school to engage in a water fights.

This is completely unacceptable behaviour. Miss Davies, Head of Year 11 has been very clear with the year group that we class such items as "prohibited" (under our behaviour policy) and that if a student is found in possession of such an item it will be confiscated and other sanctions will follow. This behaviour is unsafe, it disrupts the calm operation of the school and interrupts the learning of other students.

We have also said that if we experience further episodes of this behaviour, the students involved will lose the opportunity to attend the school Prom on 1 July.

Please can I ask you to reiterate this message.

As ever, thank you for your ongoing support.

Yours Sincerely

Mr A Johnson
Headteacher
