Dear Parent/Guardian

Parental engagement

Over the past academic year we have been developing our offering to parents. This is something that we would like to continue to develop and, as such, would like to gather feedback from yourselves around what you have found helpful and what we could improve further to ensure that you feel fully supported in knowing how best to support your child through their secondary journey.

An anonymous google form has been created for feedback, I would appreciate your feedback and request that you complete the google form [here](#). Please could you complete this by Friday 10 June 2022.

Yours sincerely

Miss B Davies
Head of Year 11
