

8 July 2022

Dear Parent/Guardian

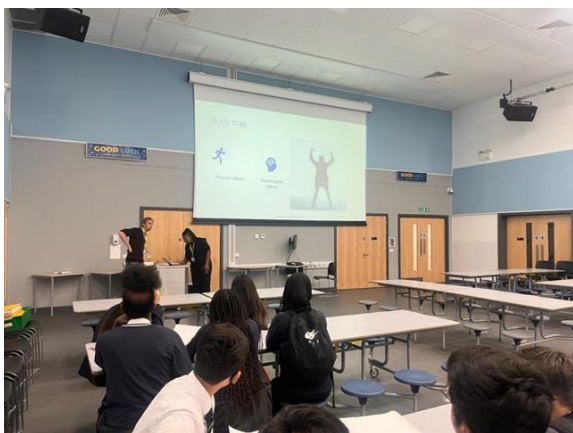

### **Pastoral Day – 5 July**

On Tuesday 5 July we had our annual Pastoral Day. This was an opportunity for students to get involved in different pastoral themed activities and sessions. It was great to see the students engaged throughout these and so I wanted to share this success with yourselves.

We have a variety of sessions from Mental Health and Mindfulness to Social Media, Healthy Relationships, County Lines and Drug and Alcohol Awareness. We were also lucky enough to have some brilliant visitors and speakers deliver sessions from Action Jackson, Reading Football Club, Brighter Futures for Children, SWAAY and the Samaritans. Our students really engaged with all the sessions, making Maiden Erlegh School in Reading proud.

Below are some pictures of some of the sessions that took place. I would encourage you to ask your child about how they found this day and what they found most interesting.

Yours Sincerely

**Miss B Davies**  
Assistant Headteacher - Safeguarding
