

11 July 2022

Dear Parent/Guardian

**Uniform in extremely warm weather**

The weather forecast is for sustained extremely warm weather for at least the next week. As a result, from tomorrow, Tuesday 12 July, we will allow students to come into school in their PE kit so that they are as comfortable as possible in school. Please ensure that your child wears the correct kit as this is still a uniform. As usual, students can have water bottles and top these up from the water machines around the school.

We are also reviewing forthcoming events (e.g., the Duke of Edinburgh silver qualification weekend and sports day) to ensure that we address the additional risks that hot sunny weather brings.

Yours sincerely

**Mr A Johnson**  
Headteacher
