Dear Parents/Guardians

### **Open Evening - 27 September**

On Tuesday 27 September, we will be opening the school up to prospective students and their families. It is a chance for us as a school community to show our local community and our families what a great school we are. As a result of this, we will be closing the school slightly early on Tuesday afternoon. School will finish for all students at 2:05pm and we will return to school slightly later on Wednesday 28 September, with all students needing to be in their tutor rooms by 10:00am.

A large number of our students will be asked over the coming days to help us with our open evening. It always amazes me how the students turn into expert tour guides and show families around the school. Curriculum leaders and Heads of Years will be approaching students to ask if they could help on the evening. All students who attend must have a parental consent form completed.

I would also like to take this opportunity to remind parents that students are required to be in their tutor rooms by 8:40am every day. Gates open at 8:30am so there should be plenty of time for students to visit their lockers and get to their tutor rooms in plenty of time. Those students who reach their tutor rooms by 8:40am will be awarded a DREAM point every day they are there on time. We expect to be giving out lots of DREAM points this year and points mean prizes!

Yours sincerely
