Dear Parent/Guardian & Student

PPE Timings

The timetable that was originally released for the upcoming PPEs had the afternoon exams starting at 13:00. However, owing to the new timings of the day that were implemented at the beginning of this academic year, we will be starting the afternoon PPEs from this point forward at 13:15.

Even with this change of start time, it will not push the exam end time to past the end of the school day UNLESS a) the exam has to start late for any reason or b) students who have an Access Arrangement for extra time. We will endeavour to ensure that the exams start on time.

We would also encourage all students who have an Access Arrangement for extra time to make full use of it and therefore make alternative methods of getting home on any days it could affect them. For Y11 this will be those who do separate sciences on the afternoons of Monday and Tuesday and for Y10 it will be RE on the Thursday.

Kind regards

J Gale
