Dear Parent/Guardian

Arrangements for Years 7-10 during Industrial action on 1 February 2023

Further to my letter of 26 January, Years 7-10 will not be in school tomorrow due to industrial action. We have made available a pop-up provision for vulnerable students and for the children of some critical workers. Confirmation has been sent to the parents of students who have been allocated a space in the pop-up provision. **Please do not send your child to school if you have not received confirmation of a space.**

As you are aware, we are not able to activate our remote learning curriculum during periods of industrial action by our teaching staff. There are, however, many useful and easily accessible on-line learning platforms that we would recommend your son/daughter engages with during this time.

Please see the websites below, all of which are free to use.
