

15 May 2023

Dear Parent/Guardian

'Wear It Green'

Maiden Erlegh School in Reading pride themselves on the diversity and inclusivity of the school, and as a school community we enjoy teaching and learning about a variety of causes that increase our knowledge and understanding of those around us. This week we will be focusing on **'Mental Health'** as we approach exam season. We also try to contribute to as many relevant charitable causes as we can.

On **Friday 19 May**, we will allow students to wear a green accessory with their **school uniform** that represents 'Wear It Green' in return for £1 for charity. Students will have the opportunity to purchase bracelets, ribbons, and pin badges with all proceeds going to the charity below.

****PLEASE NOTE ALL STUDENTS MUST BE IN THE CORRECT UNIFORM****
