TRANSITION BULLETIN

12 June 2023

The Final Term!

The final term at primary school is in full swing! I am sure this must be both exciting, and slightly nervewracking for you! Some of you may be feeling a bit nervous about moving up to secondary school, but this is completely normal! Remember, everyone that is in Maiden Erlegh School in Reading has gone through this journey too, even the teachers, although that was a bit longer ago!! Everyone here is excited for you to join our school community and to help you to feel part of the Maiden Erlegh School in Reading family!

Make the most of this final half term in primary school, it is sure to be a great one and provide lots of memories to hold on to!

Mathematics Challenge!

Miss Nemeth is our Foundation Stage Mathematics Curriculum lead. She is excited to meet you and has set you the next Transition Challenge!

Magic Squares:

You can watch this video to learn a bit about Magic Squares. They can be great Mathematical problems but you can also use them to impress your friends, your parents or your teachers.

<https://www.youtube.com/watch?v=aQxCnmhqZko>

After watching the video make your own Magic Square (you would need to go into negatives). This could be one for another student or for a parent or teacher.

You can either bring your submission on the first day in September, or email in your submissions to MERoffice@maidenerleghtrust.org with the subject line "Year 6 Maths Challenge FAO Miss Nemeth". This is another great opportunity to show us what you can do and get some DREAM points straight away!

Transition Day!

We are working hard on putting together a plan for the upcoming Year 6 Transition Day on Wednesday 28 June. We are really excited to see you all! In the meantime, we need to know whether you are coming and how you would be getting home from Maiden Erlegh School in Reading on this day, therefore, please could you ask your parents to complete the Google form linked in [this](#) letter as soon as possible to let us know!

Remember if you are joining us to bring either a packed lunch or £3 to purchase a hot lunch.

School Tour!

So that you know what to expect when you come to visit us, we have created a video tour of the school! This can be seen [here](#)

Locker Package & Uniform

Year 7 students entering the school will be required to use a locker to store their personal items. To help ensure that you have this ready for your first day in September please [read this letter](#) with all the information you and your parents will need to get this set-up. You can access further information around transition [here](#). To help you understand our uniform expectations, all our requirements are available [here](#).

Don't forget to follow us on social media to keep up to date with our latest news!
