

5 July 2023

Dear Parent/Guardian

MER Enrichment Days – 12 to 14 July

As part of our enrichment programme at Maiden Erlegh School in Reading, we have a very exciting array of activities running from Wednesday 12 July to Friday 14 July. Students and staff will spend these days participating in a variety of curriculum activities not normally available during the school day. The days are an opportunity to increase the breadth and depth of the education we offer and to enable students to take part in a wide range of new and different experiences. These days will provide our students with opportunities to develop new skills, broaden their interests, and expand their cultural capital.

During this time, we will be running a number of trips and workshops in school led by a mixture of staff and external visitors.

We regard these days as an important part of your child's education. We, therefore, expect full attendance and for parents/carers to follow normal procedures regarding absences. Students should be in their normal school uniform and the same high standard of behaviour will be expected.

Thank you for your support.

Yours sincerely

Ms D. Williams
Assistant Headteacher
