

20 June 2023

Dear Parent/Guardian

On **Wednesday 21 June** it is national '**thank a teacher**' day.

We would like to give students, parents and fellow staff the opportunity to say 'thank you' to those teachers that have made a positive difference to them this year.

If a particular teacher has gone above and beyond for your child or has been particularly supportive of your family, please use the link below to express your gratitude and we ensure that the information is passed on to the relevant staff member.

[Thank a teacher form](#)

If you would like to give a special shout out to members of our support team this can also be done using this form although there will be another opportunity in the autumn to thank our support team.

The form will close on **Friday 23 June** so that we can share the comments with staff.

Kind regards

Maiden Erlegh Trust
