Dear Parent/Guardian

I would like to take this opportunity to welcome your child to their final academic year at Maiden Erlegh School in Reading. It goes without saying that the year ahead is the most important year to date, and with this in mind it is imperative that students return rested and prepared.

Attendance and Punctuality

Particularly in Year 11, we ask that students take full responsibility for their punctual arrival to Tutor, and thereby punctual arrival to school. With their GCSE examinations set to start at 9am and preparatory sessions beginning from 8am, we urge students to start the academic year as they mean to go on. Lateness to Tutor, is lateness to school.

It is imperative that students are **in Tutor daily by 8.40am**. Students need to be on site by 8.35am at the latest, with those needing to go to their lockers expected to arrive earlier, allowing ample time to organise themselves. It is the student's responsibility to ensure they are present and punctual, to ensure they hear key communication – pastoral and curricular.

Should your child be unwell, **absences must be reported by 8.30am** to ensure they are coded correctly. These should be reported to Attendance, and not to your child's Form Tutor as outlined in the school's policy.

Uniform

High expectations of uniform are of extreme importance. Pride in uniform reflects pride in one's self. All students are expected to wear full school uniform on return in September.

- **All** students must **own and wear a blazer at all times**, in school, unless they are told otherwise; this is **compulsory** uniform. The school's sweater is **optional**.
- Students should wear black, polishable school shoes. Boots, trainers, canvas shoes etc. are not appropriate and students should not wear them. Shoes should be sensible i.e. not have thick soles or high heels/wedges.
- Trouser/skirt colour should be grey/charcoal
- Students can wear coats to and from school but not inside the building. Outdoor jackets do not include hooded sweatshirts.
- One small silver/gold stud in nose and one in each ear only; no other jewellery should be worn to school.
- No make-up is allowed, except light foundation.
- Nails should be of natural length and nail varnish is not permitted.
- Hair should be of a natural colour.

If you have any issues with purchasing uniform for Monday 5 September 2023, please email the office on MERoffice@maidenerleghtrust.org before the start of the new academic year. If you would like to purchase any second-hand uniform items, please contact merpta@maidenerleghtrust.org

Equipment

In order to avoid disruption to learning and so that all students are able to promptly engage with lessons on arrival, please ensure that your child brings their own equipment to school daily.

Students should arrive daily with a sensibly sized school bag, complete with any exercise and/or text books for the day. The minimum expectation with regards to compulsory, standard equipment is as follows:

- Pens
- Pencils
- Eraser
- Ruler
- Green pen
- Sharpener
- Pencil case
- Specialised equipment (Scientific calculator, etc.)

Pencil cases can be purchased from Student Services for £2. Each holds the necessary equipment. We advise that if you are unable to supply your child with the list of stationary above, that they purchase this provision on their return.

Pastoral Team

I would like to take this opportunity to confirm the Year 11 Pastoral Team for the new academic year. In the first instance, please contact your child's Form Tutor for pastoral support. Key Dates

The following dates will be important for both you and your child in the weeks and months to come. Mindset

As we enter the final year, I would like for all parents to encourage their children to adopt a growth mindset. A growth mindset is resilient; it is open to challenges, welcomes feedback and seeks new opportunities. It is more difficult to adopt and sustain than a fixed mindset, but it is the perspective and attitude that will lead them to success.

Every student has time to improve, time to consolidate and time to secure and, with the encouragement of school and home, I firmly believe all Year 11 will leave with a wonderfully bright future ahead. Please communicate with the school over the months to come and we will do our best to support your child – personally and academically.

Wishing all students the very best as they write their final chapters at Maiden Erlegh School in Reading.

Yours sincerely

Mrs A Cotton
