Dear Parent/Guardian

Welcome back to Year 8 at Maiden Erlegh School in Reading!

The 2022-2023 academic year has been a positive year for the year group. They have settled in well to Maiden Erlegh School in Reading – new surroundings, new teachers, new routines and a new learning environment. With everyone playing their part, the journey becomes easier and less arduous and at the end we can look back and celebrate.

With that being said, our key focus this year is about 'respect'.

Students

Take ownership and be responsible for your learning – this means ensuring you are organised and ready to learn (equipment, uniform, homework), ensuring your punctuality to lesson and taking responsibility for your behaviour in and out of lessons. Making sure you are respectful and be the best version of you!

Parents

To support the school, please support your son/daughter to be prepared ensuring they have the correct uniform, equipment, arrive to school on time and communicating with the school when necessary via meroffice@maidenerleghtrust.org You can also support by asking them how their day has been or what they have learnt.

School

We are here to support every step of the way. Tutors are here in the first instance to support with any pastoral concerns as are subject teachers for subject concerns (please contact the school office on the above email, or call 0118 966 8065 to speak to a member of staff).

Below is a list of the Year 8 Pastoral Team. For day-to-day queries, please contact your child's tutor. If they are unable to assist, they will pass your query on to me as their Head of Year.
