## SIXTH FORM TASTER DAY - FRIDAY 20 OCTOBER 08:25 - 15:00

This event will give pupils the opportunity to spend the school day at Pangbourne where they will experience a range of A Level and BTEC style subject lessons, alongside our current Year 11 cohort. The aim is for pupils to get a real sense of our College through meeting various people within our welcoming community, whilst exploring our campus and facilities.

Pupils will be asked to select the subjects that they wish to take part in during the Taster Day. In addition to the sessions, the day will also consist of the following:

- Presentation from our Head of Sixth Form, Mr James Bamforth
- General Studies session with a guest speaker
- Q&A session hosted by a panel of senior staff members

Dress code: Suits or school uniform
