Dear Parent/Guardian

### **ClassCharts for Parents**

As you are aware, Maiden Erlegh School in Reading uses ClassCharts with an account for both parents and students. We want to ensure that ALL parents are able to access ClassCharts and support in monitoring your child's achievements points, behaviour reports, homework tasks and track scheduled detentions as well as many other things.

If you have more than one child at the school, you can use the same parent account to view achievement data for all your children.

ClassCharts for parents can be accessed via the school website, or by iOS and Android apps.

You will have received an activation code via email which will be sent to the email address we have linked to you on the Bromcom app.

All students have their own login and have been active in using this to keep up to date with their behaviour data and homework.

If you cannot access your account or need support with Class Charts, please use the following email address: [MEROffice@maidenerleghschool.co.uk](mailto:MEROffice@maidenerleghschool.co.uk) and your child's Head of Year will be in touch.

Alternatively, please read the quick start guide – link below.
