

22 February 2024

Dear Parent/Guardian

Revision guides for parents and students

We would like to offer you the opportunity to purchase supporting guides for your child with regards to their revision and preparation for examinations.

The following guidebooks are available to purchase for £1.50 each, please note this price includes the cost of the book and associated admin fees. These will be available to purchase from 21 February 2024. Please find the details of each book, along with information from the website, below.

How Parents Can Help – GCSE

How Parents Can Help! is an invaluable resource right now, which aims to provide your GCSE parents with some extra support and reassurance. GCSE parents will find this compact yet comprehensive booklet a reassuring resource.

How Parents Can Help! gives practical suggestions on how parents can:

- ✓ Get actively involved in their child's revision
- ✓ Give them a helping hand when writing revision plans
- ✓ Help their child to stay motivated

Revision Cracked – GCSE

A handy A5 size and written in a punchy style, Revision Cracked! is packed full of practical tips. No theory. No waffle. No padding. Just ready-to-go ideas. GCSE students will find this study skills guide a rich source of real-world revision tips.

Revision Cracked! gives students tips on how to:

- ✓ Make the most of revision time
- ✓ Use active revision methods
- ✓ Improve memory
- ✓ Go for the top grades

Revision Cracked – First Steps – KS3

A handy A5 size and written in a punchy style, Revision Cracked! First Steps is packed full of practical tips to develop sound study and revision skills. No theory. No waffle. No padding. Just ready-to-go ideas.

Many KS3 students are not sure how to revise or they find it difficult to get all their homework done on time; help them to improve their study skills by giving them Revision Cracked! First Steps. KS3 students will find this study skills guide a rich resource of study and revision tips.

Revision Cracked! First Steps gives students tips on how to:

- ✓ Organise their study time
- ✓ Use active revision methods
- ✓ Become a more independent learner
- ✓ Do their best in tests

Any Y10-11 students in receipt of Pupil Premium that do not have a copy of Revision Cracked - GCSE, should come to see me to receive one. However, please note that these will be handed out on a first come, first served basis and some families may already have this due to siblings receiving copies over the previous 2 years.

For students in Y7-9 that are in receipt of Pupil Premium, they will receive a copy of the Revision Cracked – First Steps.

We feel that these are a great support booklet for students with preparing for examinations and understanding the purpose, and different techniques, of revision.

You will be able to purchase these via the parent pay shop until **15 March 2024**. We will then make an order for these based on the number purchased.

Yours sincerely

Miss R Davies
