

8 March 2024

Dear Parent/Guardian & Student

Early Closure Thursday 21 March 2024 at 14:05

In order to support our commitment to ensuring excellent collaboration across the Trust with regards to our curriculum, there is a Subject Leader training session being held on the afternoon of Thursday 21 March.

This allows an opportunity for our middle leaders to work with others in the same field across the Trust, sharing best practice and, where practicable, aligning schemes of work.

As a result of all middle leaders being at this session, we will be closing the school early at 14:05. Students will be dismissed in the usual way at the end of period 4. There will be work set on the usual platforms for students to complete for period 5. School will open at usual time on Friday 22 March 2024.
