12 June 2024

Dear Parent / Guardian,

GCSE Science Revision Guides

Students were loaned science Revision Guides to support them in their science GCSEs.

These guides were loaned to students with an instruction to return them on the last day of the science exam, ensuring we continue to hold sufficient revision guides to support future GCSE students.

As the last science exam is on Friday, 14 June 2024, could you please support the science department by ensuring your child returns the revision guide they were loaned.

Any queries, please do not hesitate to contact any member of the science department via the main reception.

Thank you for your help.

Best regards,

Yours sincerely,

E Diriyai
