

PLANNING FOR YOUR FUTURE:

A person is captured in mid-air, jumping between two large, dark, textured rock formations. The sun is low on the horizon, creating a bright, golden glow that silhouettes the person and casts long shadows. The sky is filled with soft, white clouds, and the overall scene conveys a sense of adventure and overcoming challenges.

PROSPECTIVE SIXTH FORM STUDENTS

Maiden Erlegh School Sixth Form is an integral part of our whole school and many students carry out leadership roles within the Sixth Form team and beyond. Our students are regarded as role models for the rest of the school and, as a result, are offered many exciting opportunities, both in school and outside of school.

Maiden Erlegh's values of: **aim high, be inclusive** and **work together** means that and no matter your background, you are most welcome here. We understand that education, at any level, depends on understanding the strengths, aspirations and needs of the whole student body. Our holistic study programmes are key to ensuring that we deliver this rounded education in our sixth form. Students joining us have a range of diverse interests and aspirations, which enrich our Sixth Form and make it even stronger and even more vibrant.

One of the benefits of being a large Sixth Form is the chance to offer a broad curriculum. This allows students to specialise in subjects which may not be available elsewhere. Lessons are delivered by subject specialists who know what students need to do to achieve the top grades. All Sixth
