Dear Parents and Carers,

MER “Heads Up” News

Welcome back to the summer term! Hopefully the students all enjoyed the lovely Easter holiday weather and have come back feeling relaxed and refreshed. It was also a great opportunity for our year 10 and 11 students to get some revision done before the start of the exam period. The year 10 students have now completed their PPEs, and the year 11 students have got off to a good start this week – we have now concluded their art and photography exams, as well as the spoken language ones.

Year 11 Information Evenings

Thank you to Mrs Cotton and her team who ran the Year 11 Information evening and Mental Health for Exam Stress sessions last week, we do hope that those who attended found them useful. We do appreciate that it is a stressful time for our students, but we hope that they have managed to pick up the tools to best help them through this time so that they can achieve the grades that they deserve after working so hard.

Year 7 Progress Evening

We had a fantastic sign up for the first year 7 Progress Evening with 85% of students having appointments – we hope that you found the meetings conducive.

Matilda

After another long weekend, we turn our attention next week, not only to the start of the external written exams, but also to our annual school production which this year is Matilda! We are so excited to be sharing this with you all and do hope that as many people as possible will be joining us on Thursday 8 May at 5pm for the show – [more information can be found here](#).

Breakfast Club

Wednesday last week saw the launch of our free Breakfast Club trial – we are so excited to be able to offer this to all students – and we hope to see our numbers build as we go through the summer term. For more information about our this, [please click here](#). We hope that this initiative will provide our students with the fuel and energy they need to make a strong start to their day.

Class Charts

Before Easter we sent out log in details to all parents who have yet to access Class Charts – it really is the best way to keep an eye on your child’s progress so we do encourage everyone to access it regularly. If you still haven’t accessed your account and would like your log in details

sent again, please email into meroffice@maidenerleghtrust.org and we will guide you through the process.

Wishing you all a wonderful long, sunny bank holiday weekend.

Best wishes

Will Graham
Headteacher
Maiden Erlegh School in Reading
