

12 September 2025

Dear Students / Parent / Guardian

Year 9 Information Evening - Thursday 18 September 2025 - 17:45pm - 18:30pm

Further to our welcome letter, we would like to officially invite you to attend our Year 9 information evening.

This event is an important opportunity to hear directly from Mr Carpenter, Head of Year 9, who will be sharing key information about the year ahead, including expectations, academic focus areas, enrichment opportunities, and the support available to help every student thrive.

Crucially, Mr Carpenter will also introduce the GCSE options process, outlining the timeline, key considerations, and how we guide students through this important stage of their education. Year 9 is a pivotal year, laying the foundation for future academic choices and personal development, so we strongly encourage all families to attend. Your presence will ensure you are well-informed and better equipped to support your child as they begin to make important decisions about their future.

Please do not hesitate to contact me via MERoffice@maidenerleghtrust.org adding my name to the subject.

Yours sincerely

D Carpenter

Mr D Carpenter
Head of Year 9
