

12 September 2025

Dear Students / Parent / Guardian

Year 8 Information Evening - Wednesday 17 September 2025

Further to our welcome letter, we would like to officially invite you to attend our Year 8 information evening.

Year 8 information evening is a chance for us to share information regarding the new academic year. There have been some changes this year, from last academic year. We will also give you information regarding extra-curricular clubs, keeping your child safe online and information around equipment, uniform and schools day timings. This is also a chance for you to meet your child's Head of Year and their tutor.

Please do not hesitate to contact me via MERoffice@maidenerleghtrust.org adding my name to the subject.

Yours sincerely

Mr D Hibbins
Head of Year 8
