

24 September 2025

Dear Parents / Carers

Year 11 - Information Evening – Ready – Set - Succeed!
Thursday 16 October 2025 5-6pm

We would like to invite you and your child to attend our Year 11 Information Evening (with a TWIST)!

Year 11 Information Evening is a chance for the school to share information specific to the new academic year. This year we have adapted the format of the event to incorporate all subjects in a carousel style fair.

Every subject will have representation, to ensure you both gain valuable information for GCSE success. From 'Revision Resources' to 'Important Content', subject leads will be on-hand to provide the information needed to support your child.

The information Evening will be subject specific, detailing what tools your child will need and where to focus to achieve. Please note this is not a Parents' Evening. Parents' evening is student specific and will be held in January 2026.

For certain subjects, revision books and materials will be on sale. Payment should be made in cash. The same materials will be available for students purchase the following day. Again, payment should be made in cash.

We look forward to seeing you at the Information Evening.

Yours sincerely

Miss Hancock
Year 11 HOY (Acting)
