SCHOOL MEALS

At Maiden Erlegh School in Reading we have a half-hour snack break in the middle of the day when students can buy food or eat a packed lunch. Students will purchase and/or eat their lunch in the dining room. If students bring a packed lunch, then we ask: no cans or glass bottles and please avoid allergens such as nuts.

We have three snack sessions and so snack break may not be at the same time each day. Students will have the times of their snack breaks on their timetable.

We operate a cashless catering system which means that students do not need to bring cash into school. This is operated by ParentPay and parents allocate money to their child's account. See website [here](#).
