

November 2025

Dear Parent/Carer

Student Progress Day – Wednesday 17 December 2025

As part of our whole-school commitment to fostering positive relationships and supporting student success, we will be holding our annual Student Progress Day on Wednesday, 17 December 2025, from 09:00 to 15:15.

This event is in addition to your child's individual Virtual Progress Evening, where you can speak directly with their subject teachers. **Student Progress Day is a face-to-face meeting and provides an important opportunity for the school to work with you to ensure your child continues to make strong progress.**

On this day, students are expected to complete independent learning at home using the platforms we use in school, such as **Sparx Maths, Sparx Reader, and Sparx Science**. They will only attend school for their scheduled appointment.

Later this week, you will receive an email confirming which member of staff you will meet with. This may not be your child's tutor; however, please be assured that whoever you meet will have access to all relevant data and will be able to answer questions about your child's progress. **Appointments will be booked via School Cloud and can be selected on a first-come, first-served basis.**

During the day, we have invited local groups to offer support—please take a moment to visit the stalls in the Atrium while you are here. Our administrative team will also be available to assist with logging into **Class Charts** to access your child's profile and, for Year 7 parents, to provide help with our MIS app, **My Child At School**.

The appointment booking system will open at **5:00 pm on Friday, 28 November 2025**, and close at **11:55 pm on Sunday, 14 December 2025**.

Kind Regards

MER School Office
