Dear Parent / Guardian,

United Against Bullying - Parent and Carer Questionnaire

As part of our ongoing commitment to ensuring that our school is a safe, welcoming, and supportive environment for every student, we are beginning a whole-school review of our approach to preventing and responding to bullying.

We are pleased to be working with the United Bullying Alliance, an organisation that supports schools nationwide in strengthening their anti-bullying culture. Together, we aim to evaluate what we already do well and identify any areas where we can improve.

To help us gain an accurate picture, we kindly ask all parents and carers to complete a short baseline questionnaire. Your views and experiences are essential in helping us understand how effectively our current systems are working and how we can better support our students and families.

The questionnaire can be accessed [HERE](#). Please submit your responses by *Friday 12 December 2025*.

We greatly value your voice and appreciate your time in contributing to this important work. By working together, we can ensure that every child feels safe, respected, and able to thrive.

Thank you for your support.

Yours sincerely,

A Harvey (Mrs)
