

11 May 2026

Dear Parent / Guardian

Parental Use of ClassCharts

We are aware that a significant number of parents and guardians are not currently using the ClassCharts app.

ClassCharts is an important communication tool that allows parents to monitor homework, behaviour points, detentions, attendance, and other key information relating to their child's progress in school.

We strongly encourage all parents and guardians to download and access the app to ensure they remain informed and up to date with important school communications and student information. Please note we also communicate our sports fixtures via ClassCharts.

On Thursday 14 May 2026 (tomorrow), we will email an access code for the app to all parents together with instructions. If you are already using the app, you can ignore the email and if you are still experiencing difficulties accessing your account, please contact the school office and we will be happy to assist.

Thank you for your continued support.

Yours sincerely

D Hood

Deputy Headteacher
