

3 July 2026

Dear Parent / Guardian

Warm Weather Forecast Again!

As the weather next week looks to be hotting up again, students will be allowed to wear MER PE kit if they wish on **Monday 6 July** – if this is to continue we will update you further. I remind students that appropriate shorts should be worn. Students may wear their normal school skirt/trousers with their PE top if they wish.

We are currently unsure what time the England game will kick off, however, if it is Monday morning at 1am then rest assured, if England win, we will be showing the highlights during tutor time.

To make Monday even more fantastic, it will be a double DREAM point day for all students and an extra reward for all those on time to school in the morning.

We kindly ask that all students bring a refillable water bottle with them. It is very important that students remain well hydrated. MER water bottles are available for purchase from the canteen and student services for £2 if needed.

Please also ensure that your child brings a hat for the journey to and from school, as well as for break and lunchtime (although we will limit time outside where possible), and that sunscreen is applied before school.

Let's support the Football and make sure we start the week ready to learn. See you on Monday morning!

Thank you for your cooperation.

Yours sincerely

Mrs S Gibbs
Headteacher
