

22 September 2026

Dear Parent/Guardian

Kindness Challenge 2026 - In Partnership with the NSPCC to Support Childline

We are delighted to announce that students will be taking part in our **Kindness Challenge**, a fundraising initiative in partnership with the **NSPCC** to raise money for **Childline**.

The challenge will launch at the end of September and will run throughout October, culminating in a **non-uniform day on Friday 6 November** to celebrate students' achievements and the difference they have made.

As part of the challenge, students will be encouraged to complete a range of **age-appropriate acts of kindness** at home, at school, and within their local community. They will be invited to seek sponsorship from family and friends for their efforts, with all money raised going directly towards the NSPCC's Childline service.

Why Are We Supporting Childline?

By supporting your young person to raise money through this challenge, you are helping to power **Childline**.

Childline is a free, confidential, 24-hour service in the UK run by the NSPCC for children and young people up to the age of 19. During 2025/26, Childline delivered an average of 14,200 counselling sessions every month, providing vital support to thousands of children and young people when they needed someone to listen.

How Could We Make a Difference?

The money raised can have a real impact:

- **£80** could help answer **20 children's calls** to Childline.
- **£200** could pay for **one Childline Practitioner's shift**.
- **£870** could help **recruit and train a new Childline volunteer**.
- **£1,800** could help **run Childline for one hour**.

Every donation, no matter the size, will help Childline continue to provide essential support to children and young people across the country.

Prizes for Kindness

As well as raising money for a fantastic cause, students will have the opportunity to win prizes. Awards will be given to students who complete the **highest number of verified acts of kindness**, recognising their commitment to making a positive difference to others.

We hope this challenge will encourage our students to demonstrate kindness, compassion and community spirit, while also raising awareness of the important support that Childline provides.

Thank you in advance for supporting your child and helping us make a positive difference together. We look forward to sharing updates on their achievements and celebrating their success on our non-uniform day in November (more details to follow).

Yours faithfully,

A Harvey

Assistant Headteacher

Be Kind. Make a Difference. Support Childline.

Every act of kindness counts. Every pound raised helps. Every student can make a difference. ❤️
