Dear Parents and Carers,

Anti-Bullying Survey

As part of our ongoing work with the Anti-Bullying Alliance, we are asking all parents and carers to complete this year's anti-bullying survey. Your feedback is essential in helping us understand how well our approach is working and where we can continue to improve.

[Anti-Bullying Survey Link](#)

Last year, we invited you to complete a similar survey. Since then, we have taken significant steps to strengthen our whole-school anti-bullying strategy:

- We have shared key information with students, staff, and parents about our anti-bullying approach.
- We have ensured accurate reporting and monitoring of bullying through our school processes.
- We have developed resources to support EAL students in recognising and reporting bullying effectively.
- We have trained key pastoral staff to ensure bullying concerns are dealt with promptly and in line with our victim-first approach.
- We have implemented updated anti-bullying resources into our personal development and tutor curriculum.
- We have further developed our Alphabet Club to provide safe spaces for students who identify as LGBTQIA+.
- We have held annual events aimed at promoting tolerance and respect, including our Kindness Challenge and Show Racism the Red Card Day.
- We have enriched our cultural calendar to recognise and celebrate key cultural and religious events, including last year's Iftar celebrations.

Your voice is vital in helping us continue this work. Please take a few minutes to complete the survey. Your feedback directly supports our commitment to ensuring every student feels safe, respected, and supported.

Thank you for your continued partnership.

Warm regards,

Mrs Harvey

Assistant Headteacher and DSL
